Dear Sirs,,

**Re.: Orchid Electronics Limited**

This is to announce that Mr. Herwig Borr of ESnord at Viereck 11, D22607 Hamburg no longer represents our company in any capacity for all matters including all our products, under production or newly developed.

This letter supersedes all authorization letters issued earlier.

Orchid Electronics Limited continue to develop and manufacture high quality telecommunication products for the European and Worldwide markets. No Orchid products sold in Germany and Europe have been granted exclusive right by Orchid.

Our only authorized organization in Europe is our service center (OSCD) located at Rothlein in Germany operated by Teclands GmbH.

Yours Sincerely,

A handwritten signature in black ink, appearing to be "Ken Lew".

Managing Director
