TOP 4 TAKEAWAYS FROM THE WIRELESS SAFETY SUMMIT

- Learn how smart meters negatively impact each person's health plus invade personal privacy and the best strategies to defeat their installation in your community.
- Learn how cell phones, cell towers, Wi-Fi, ereaders, baby monitors, wireless laptops, iPads, and cordless phones can cause adverse health effects.
- Learn how to build relations and work with your Congressional representatives so that your concerns are acted upon.
- Learn how to work productively with other health advocates to maximize effectiveness, impact, and resources to affect change,

CAN'T TRAVEL?

You can participate in the Summit online in real-time. You will be able to watch live presentations and ask questions, just as if you were sitting in the audience.
